The Cody Dieruf Foundation was formed to honor Cody Nicole Dieruf, who passed away April 28, 2005, from Cystic Fibrosis at the age of 23. Before her death, Cody had asked her parents, George and Ginny, to help others who are living with cystic fibrosis. This foundation is the product of her wish.

# Programs

## REC & FIT Scholarship

The REC & FIT Scholarship helps with fitness expenses like sports registration fees, classes, and personal exercise equipment.

## Medical Assistance

The Medical Assistance program helps with costs not covered by health insurance such as co-pays, prescriptions, and travel expenses to the clinic.

## Mother's Retreat

The *We Walk Together* annual mother's retreat is an opportunity for the moms of children living with cystic fibrosis to experience a restful weekend and connect with one another.

If you are living in Montana and have been touched by cystic fibrosis, **you qualify** for these programs.

I WANT TO FILL MY LIFE WITH AS MANY EXPERIENCES AS MY BODY WILL ALLOW AND TO FILL EACH DAY, EACH MINUTE, WITH AS MUCH BEAUTY AS I CAN, BECAUSE I KNOW THIS BODY AND THESE MINUTES ARE NOT FOR FOREVER.
